As a primary obligation, VIKING is committed to meeting the needs and expectations of our clients. This is achieved by:

- Complying with statutory obligations, standards, specifications and codes of practice relevant to quality management
- Maintaining, monitoring, reviewing, auditing and continually improving our systems and methods to work towards becoming compliant with certification requirements of AS/NZS ISO 9001
- Engaging suitably qualified, skilled, and experienced people
- Educating and training in order to continually improve the skills of our people, awareness and knowledge of quality issues and practices
- Identifying, reporting, investigating, and resolving all non-conformances and taking action to prevent recurrence
- Establishing, reviewing, and communicating performance measures and taking action to improve outcomes
- Monitoring and evaluating the quality performance of consultants, subcontractors and suppliers and implementing effective communication with them on quality and compliance issues.
